LIBRARY REPORT.

The Trustees of the Andover Town Library submit the following report for the year ending February 1, 1920.

The Andover Library contains 3,576 volumes, of which nearly a third are in the Branch Library in East Andover, where an interchange of books is kept up with good results.

The small appropriation given by the town makes a large outlay for books impossible, but every year sees additions made.

During the last year, the library has received a legacy of \$200, the bequest of Miss Lillian Thompson. Books have also been donated by Mrs. Emily C. Odlin, Walter Odlin and Mrs. Frank Robinson.

The number of books circulated at Andover Centre was 1,940. Number of borrowers 245. Number of books circulated at East Andover was 539. Number of borrowers 67.
